Content focus

- **Setup edits:** cinematic desk shots, RGB lighting, color themes and PC aesthetics.
- **Desk upgrades:** room decor, cable management, desk accessories and practical add-ons. •

Gaming tech: relevant peripherals and accessories integrated naturally into visual content.

Collaboration formats

Reel feature Aesthetic edit or focused product showcase.	Story placement Short product introduction or link placement where available.
Affiliate partnership Tracked links or creator codes, subject to program terms.	Custom concept Campaign idea tailored to the product and audience.
